Kettle Moraine EAA 1158, Inc. 310 Aerial Dr. West Bend, WI 53095 262-338-8411 [www.eaa1158.org](http://www.eaa1158.org) For Immediate release: EAA 1158 Aviation Advancement Scholarship being awarded in Washington/Ozaukee County. The Kettle Moraine Experimental Aircraft Association announces its intent to award an Aviation Advancement Scholarship to a student pursuing a full time educational major in an aviation related field. The \$1000 scholarship will be given in the first half of 2007 to an applicant chosen by the organization. The local chapter of the EAA has sought to endow this scholarship as a stepping stone to a career in aviation for an individual in the Ozaukee or Washington county area. "The ability to award this scholarship is a way for our organization to share its passion for aviation with the community and supplement the education of a dedicated young person from the community, noted Glen Brandt, president of the local EAA chapter. The scholarship is being awarded in memory of individuals who have left their mark on our organization and the aviation community. We seek to memorialize their efforts through this worthy donation. High school students or young adults interested in applying for this scholarship may contact the Kettle Moraine EAA chapter at 262-338-8411, [scholarship@eaa1158.org](mailto:scholarship@eaa1158.org), or download an application from the organization's website, [www.eaa1158.org](http://www.eaa1158.org). Students who intend to pursue a full time associate or bachelor's degree in an aviation related field are encouraged to apply.
